Re: Public Service Commission of South Carolina - Administrative and Procedural
Matters
Docket No. 2005-83-A

Dear Ms. Boyd:

The South Carolina Office of Regulatory Staff ("ORS") is offering the attached transportation order template for pending and prospective dockets. ORS believes that the adoption of the attached template or a similar version would provide for judicial economy, minimize the costs to both state agencies and more clearly define an applicant's obligations.

If you should have any questions, please do not hesitate to contact me.

Respectfully yours,

Courtney D. Edwards

The Commission also finds that the granting of the Certificate is required by public convenience and necessity. The Commission's review of the Application, and the nature of the taxi cab business,¹ leads this Commission to find that the instant Application should be approved.

¹ See, e.g., Order No. 79-26, issued in Docket No. 78-491, IN RE: Application of Right's Transportation Service, Inc., on February 27, 1979.

3. That the Applicant shall either: (1) complete the certification process by complying with the requirements of filing with ORS proof of appropriate insurance and the payment of license fees and such other information required by law within ninety (90) days of the date of this Order, or (2) request and obtain from the Commission additional time to comply with the requirements stated above.

4. That upon compliance with the filing of information as required by Paragraph 3 herein, S.C. Code Ann. Section 58-23-10, et seq. 5. That prior to compliance with the requirements regarding the filing of certain information with ORS and receipt of a Certificate, the motor carrier services authorized by this Order may not be provided.

6. That in the event the Applicant fails to comply with the filing requirements contained herein, this Order granting the Application of Bob's Taxi shall be deemed null and void and the Application herein dismissed without prejudice.
